The Brotherhood of the Iron Will

"Father, Forgive Them" Retreat

On the cross, Jesus asks His Father to forgive those responsible for His death. As Christ forgave, and continues to forgive us, so are we called to forgive. Join us as we discuss confession, God's merciful forgiveness, and how and when we forgive those who trespass against us.

Kepha, a father/son brotherhood, invites men of all ages to join us on this retreat for Mass, prayers, food, talks, mortification, games, nursing home visit, and 2am Yawns! And of course ... Dodgeball.

As we conclude the Year of Mercy, this retreat we will discuss one of the Spiritual Works of Mercy, forgive injuries.
